

MATH 1010-107 Fall 2013

Online Intermediate Algebra

Course Registration Instructions

These instructions explain how to register for MyMathLab, an online resource you will use this semester.

1. Go to www.pearsonmylab.com.
2. Under Register, select Student.
3. Enter your Course ID: **alder87705** and click Continue.
4. On the next page, if you have used a Pearson MyLab or Mastering product before, you can use your old username and password. If you don't remember what this information is, you can click "Forgot username or password" and have your information emailed to you.
5. If you have not used a MyLab or Mastering product before, click "Create Account" above the blank spaces. Enter your personal information including a username and password that you will use every time you log into MyMathLab. Read the License Agreement and Privacy Policy and select "I Accept."
6. When you're done entering your information, click "Create Account."
7. On the next page, choose how you will gain access to MyMathLab. You can pay for access online using a credit card or PayPal account. You can also buy a code at the Snow College bookstore or Majock and enter the access code at this site. Note: *(If you are waiting for financial aid to purchase your course materials, you can click the link at the bottom of the page to use MML for free for 14 days. At the end of 14 days, you will need to buy access for the rest of the semester.)*
8. Congratulations! You have successfully created your own MyMathLab account. Click "Log in now" to sign in and begin your assignments!
