

ASSOCIATE OF SCIENCE IN NURSING
LPN-RN BRIDGE

Dear Prospective Student,

Thank you for your interest in the Associate of Science in Nursing (ASN), LPN-RN Bridge program at Snow College. We believe that we have one of the best nursing programs and are very confident about the quality of education we provide to our students. Our ASN program has received accreditation from the Accreditation Commission for Education in Nursing (ACEN).

Classes are held at the Snow College Richfield Campus and Ephraim West Campus. Caring instructors teach concurrently by live instruction and video conferencing, allowing students from both campuses to participate in all lectures and discussions. Students are required to travel occasionally to meet as a group at one campus, for labs and other activities.

Applications will be completed electronically. You can find the application online at snow.edu/nursing. Please review the directions outlined in the *ASN, LPN-RN Bridge Application Instructions* before starting your application. Application acceptance dates are as follows:

Admission Semester	Application acceptance dates
Fall	January 1 st – March 1 st
Spring	July 1 st – September 1 st

Application, transcripts, evaluations, and other required documentation must be received within the application acceptance dates above. It is your responsibility to ensure that your application is complete and submitted on time. Applications are reviewed and scored appropriately.

We accept up to six students between the Richfield and Ephraim campuses, both fall and spring semesters. All students are filled from the same applicant pool. Students start school on the first day of the Snow College semester. All applicants will be notified by US mail of the final class placement, approximately five weeks after the final application acceptance date.

We are here to help you achieve your goal of becoming an RN. If you have any questions or need help with your application, please feel free to contact us.

Sincerely,

Amber Epling, MSN, RN

Director/Professor
Health Professions Department
(435) 893-2228
amber.epling@snow.edu

Melissa Blackner
Office Manager

ASSOCIATE OF SCIENCE IN NURSING MISSION STATEMENT

The mission statement for the Associate of Science in Nursing program is threefold:

1. To educate students in the registered nurse role to be competent, caring nurses.
2. Inspire students to commit to innovative lifelong learning.
3. Encourage students to serve the community and the patients they care for.

Core Theme #1: Tradition of Excellence

Goal: Nursing staff will educate students in the history of nursing and the advances of medicine that will empower students to achieve RN licensure and job placement in the medical field.

Core Theme #2: Culture of Innovation

Goal: Nursing Staff will encourage students to use innovative initiatives that will encourage critical thinking and a desire for life-long learning.

Core Theme #3: Atmosphere of Engagement

Goal: Nursing staff will create opportunities locally or globally, to engage students in service to the surrounding community and their patients.

HEALTH PROFESSIONS DEPARTMENT MISSION STATEMENT

The mission statement for the Snow College Health Professions Department is threefold:

1. To educate students for health care fields.
2. To inspire them to love learning.
3. To lead them to serve others.

Through quality instruction, the Health Professions Department will also facilitate the development of integrity, responsibility, the need of life-long learning, and community services as health care providers.

ASN, LPN-RN BRIDGE REQUIREMENTS

Pre-application requirements: Must be completed before your application is submitted.

- Cumulative College GPA of 3.0 or higher. Applicants with a cumulative college GPA between 2.90 to 2.99, with two-years LPN work experience, can also apply to the program.
- Current, Utah LPN license.
- Completed one of the following:
 1. Math 0850, 1010, or higher math course passed with a grade of “C” (2.0) or better.
 2. ALEKS PPL score of 30 or above.

Prerequisite courses: Must be completed before the ASN, LPN-RN Bridge program begins.

- BIOL 2320, 2325 Human Anatomy, Human Anatomy lab
- BIOL 2420, 2425 Human Physiology, Human Physiology lab
- CHEM 1110,1115 Elementary Chemistry, Elementary Chemistry lab
- ENGL 1010 Expository Composition

Co-requisite courses: Must be completed by the end of the ASN year.

- PSY 1010 or HFST 1500* General Psychology or Human Development
- ENGL 2010 Intermediate Research Writing
- MATH 1040** Introduction to Statistics

GE requirements: Must be completed by the end of the ASN year.

- Humanities
- Fine Arts
- American Institution

LPN Nursing Courses:*** Completed from an accredited LPN program before the LPN-RN Bridge program begins.

Suggested courses: Highly recommended but not required.

- NURP & NURS 1101 Drug Dosages & Calculations
- NURS 1010 Introduction to Nursing
- BIOL 2060 or 2200 Introductory or General Microbiology
- BIOL 2650 Pathophysiology
- HFST1020 Foundations of Nutrition
- PSY 1010 or HFST 1500* General Psychology or Human Development
- NURP 1000 Medical Terminology

Please meet with a Snow College Academic Advisor to ensure all requirements for an ASN degree will be met.

All prerequisite and co-requisite courses must be completed with a minimum grade of “C” for the ASN degree. We follow Snow College’s grade requirement for the GE courses.

Co-requisite and suggested courses, completed with a minimum grade of “B-”, may be given points in the application process.

*PSY 1010 or HFST 1500 is required for the ASN degree. If the additional course is completed, you may receive points in the application process.

** Associate degrees require a quantitative literacy course, i.e. MATH 1030 or higher; however, students transferring to a BSN or higher nursing program may need MATH 1040.

***The LPN Nursing GPA will be determined from all nursing courses completed. A “B-” (2.7) grade will be used for any LPN courses that are not complete by the application deadline. Students with a grade lower than a B- must show at least part-time experience working as an LPN for a minimum of one year.

For more information regarding prerequisite courses, you can contact Student Success, Richfield 435-893-2211 or Ephraim 435-283-7313. The above courses may be taken at any accredited college or university; official transcripts are required to determine how courses will transfer to Snow College.

ASN, LPN-RN BRIDGE APPLICATION INSTRUCTIONS

Applications will be available at www.snow.edu/nursing during the application acceptance dates.

Application acceptance dates are as follows:

Admission Semester	Application acceptance dates
Fall	January 1 st – March 1 st
Spring	July 1 st – September 1 st

The application must be completed in one sitting. You will not be able to save your application and complete it at a later time. The following information is required; it must be completed and received within the application acceptance dates to be considered for the ASN, LPN-RN Bridge program.

- Apply to Snow College**
Your Badger ID and Snow College email are required for your application.
- Nursing Application fee of \$25.00, non-refundable**
Please pay the Snow College Cashier's Office. Richfield 435-893-2249 or Ephraim 435-283-7296.
Upload your receipt in a PDF format with your application.
- Current, Utah LPN license**
Upload your LPN license in a PDF format with your application.
- Two Evaluations**
Please provide your Evaluators' names and their correct email addresses. Evaluation forms will automatically be sent via email to your Evaluators when you submit your application. Please inform your Evaluators of the forthcoming email. Evaluators can be previous or current employers or a teacher. Friends or relatives will not be accepted.
- Essay questions**
 - Why do you want to go into the nursing profession?
 - How do you define integrity?
 - Describe a time when you worked as part of a highly diverse team.
 - Describe how you would handle conflict with another person. Give an example.

Writing skills are evaluated on how well each question is answered based on thoroughness, logic, clarity, insight, and on the proper use of the English language including grammar, spelling, and vocabulary use. The length for each question is typically 1-2 paragraphs. For your convenience, you may want to complete the essay questions in a Word document, then cut and paste them into the online application.

- Scholarship - *Optional***
Those interested in applying for a Nursing Scholarship will need to write a short paragraph describing your financial needs.
- Official transcripts.**
Send official transcripts to Snow College from **ALL** colleges/universities you have attended. Snow College transcripts will not need to be sent.

Any documents that need to be uploaded with your application will need to be saved as a PDF on the computer you will be using to complete your application. All application material becomes the property of Snow College and will not be returned to the applicant. We strongly recommend using a computer, rather than a tablet or phone, to complete your application. You can contact Melissa Blackner to see if she has received your documents.

ADDITIONAL REQUIREMENTS

Additional documents will be required for those accepted into the ASN, LPN-RN Bridge program. Further information will be included in the Welcome Letter that will be sent to those accepted. Complete admission to the Snow College nursing program is contingent upon submission of satisfactory results of the following:

1. Proof of current immunizations:
 - Tdap: within the last 10 years
 - MMR: 2 doses or proof of immunity through a blood test.
 - Varicella: 2 doses or proof of immunity through a blood test.
 - Covid: proof of being fully vaccinated, with manufacturer listed
 - Hepatitis B: 2-3 doses, depending on vaccine, or blood test with reactive result
 - TB: (one of the following)
 - negative 2-step TB tests
 - negative QuantiFERON TB blood test
 - chest x-ray with normal results
 - Current, flu shot (September through October). This will be required yearly.
2. Drug screen
3. Background check
4. Physical examination. This will be required yearly.
5. CPR Card. A current CPR card must be maintained through the ASN program.
We only accept: American Heart Association, BLS Health Care Provider or
American Red Cross, CPR for the Professional Rescuer.

Immunizations that require two doses require at least a 4-week waiting period between doses. We strongly encourage you to start your immunizations ASAP.

The nursing department reserves the right to request additional backgrounds and/or drug screenings while enrolled in the nursing program at Snow College. The nursing department reserves the right to deny entrance into the ASN, LPN-RN Bridge program based upon the results from the background or drug screen or if required documentation is not turned in on time.

Admission Semester	Documentation due
Fall	July 1 st
Spring	December 1 st

Documentation for the above requirements must be provided to the office manager by the date listed above. You will be invited to a Canvas course where you can upload your documents. All application material becomes the property of Snow College and will not be returned to the applicant.

New Student Orientation

The New Student Orientation for the ASN program is mandatory for students to attend. If you are not able to attend, you will forfeit your position in the ASN, LPN-RN Bridge program. Orientation dates will be provided upon acceptance to the ASN, LPN-RN Bridge program. Approximate dates will be two weeks before classes start fall semester and one week before classes start spring semester. Please plan accordingly.

ASN, LPN-RN BRIDGE CANDIDATE SELECTION POINT SHEET

Criteria	Points Possible
Cumulative GPA (Transcripts from all colleges/universities you have attended).	5
3.70 to 4.0 = 5 pts. 3.3 to 3.69 = 3 pts. 3.0 to 3.29 = 1 pts. Below 3.0 = 0 pts.	
Living in the Snow College Service Area (Sevier, Piute, Wayne, Sanpete, Millard, and Juab Counties).	2
Being a former Snow College LPN student	1
Being on the previous alternate list	2
Applying the previous application cycle with a complete and qualified application (This includes: a complete nursing application, two evaluations, all transcripts received, nursing application fee paid, and all pre-application requirements completed. All information needs to be received within the application acceptance dates.)	1
Prerequisite GPA	49
BIOL 2320, BIOL 2420, CHEM 1110, ENGL 1010	
A = 10 A- = 8.5 B+ = 7 B = 5.5 B- = 4	
BIOL 2325, BIOL 2425, CHEM 1115	
A = 3 A- = 2.5 B+ = 2 B = 1.5 B- = 1	
LPN Nursing GPA	49
4.0 = 49 3.70 -3.99 = 41.5 3.3 – 3.69 = 34 3.0 – 3.29 = 26.5 2.7 – 2.99 = 19	
*Co-requisite/Suggested Courses	
NURP & NURS 1101 Drug Dosages & Calculations for Healthcare Professionals	3
*PSY 1010 or HFST 1500 General Psychology or Human Development	2
NURS 1010 Introduction to Nursing	2
BIOL 2650 Pathophysiology	2
BIOL 2060 or 2200 Introductory or General Microbiology	2
PSY 1010 or HFST 1500 General Psychology or Human Development (if completed in addition to the co-requisite requirement)	2
*Math 1030/1040/1050 Quantitative Literacy/Introduction to Statistics/College Algebra	1
*ENGL 2010 Intermediate Research Writing	1
HFST 1020 Scientific Foundations of Nutrition	1
NURP 1000 Introduction to Medical Terminology	1
Points for co-requisite and suggested courses will be given depending on the final grade received. Courses lower than a B- will not receive any points.	
Health Care Work Experience	14
Working, or has worked, as a(n):	
Licensed Practical Nurse (LPN): {>5 yrs = 7 pts}, {2-5 yrs = 5 pts}, {1 yr = 3pt}, {.5 yr = 1pt}	
Certified Nursing Assistant (CNA): {>5 yrs = 7 pts}, {2-5 yrs = 5 pts}, {1 yr = 3pt}, {>6 mo. = 1pt}	
Certified Medical Assistant (CMA): {>5 yrs = 7 pts}, {2-5 yrs = 5 pts}, {1 yr = 3pt}, {>6 mo. = 1pt}	
Emergency Medical Technician (EMT): {>5 yrs = 7 pts}, {2-5 yrs = 5 pts}, {1 yr = 3pt}, {>6 mo. = 1pt}	
Other Certified Health Occupation = 2 pts. Nursing Assistant = 1 pt.	
ASN, LPN-RN Bridge Application and Two Evaluations	20
Points for the application will be given based on writing skills such as grammar, spelling, vocabulary usage, and the proper use of the English language.	
Maximum Total Points Possible	160

SUGGESTED COURSE OF STUDY FOR THE ASN, LPN-RN BRIDGE PROGRAM

Pre-Application Requirements: Current, Utah LPN license, Math 0850, 1010, or higher math, or equivalent,
Cumulative GPA of 3.0 or higher; GPA of 2.90 to 2.99 with two-years LPN work experience

Prerequisite Courses		
Course		Credit
BIOL 2320-2325	Human Anatomy with Lab	4
BIOL 2420/2425	Human Physiology with Lab	4

NURS 2280	Nursing Capstone Clinicals	3
		Total credits: 7

The Snow College ASN, LPN-RN Bridge program is a very rigorous, time-intensive program. ASN courses are taken as cohorts; students must register for all nursing courses offered each semester. All ASN courses must be passed with a minimum grade of “B-” to continue in the ASN program. Students are expected to attend all classes, labs, and clinical assignments as scheduled. Clinical sites are located in Central Utah.

See Snow College fee table for information on tuition and fee costs. Additional fees may be associated with individual nursing courses. To apply for Financial Aid: www.fafsa.ed.gov or call: (435)283-7129.

ASN, LPN-RN BRIDGE ELECTRONIC APPLICATION QUESTIONS

- Badger ID#:
- Last, First, Middle Name:
- Date of Birth: (mm/dd/yy)
- Former Names or aliases:
- Home Phone/Celle Phone Number:
- E-mail address:
- Snow College E-mail:
- Permanent Address:
- Mailing Address:
- What city do you plan to live in while attending school?
- Emergency Contact Information: Name, phone number, relation
- Choice of Campus:
- Applied to Snow College:
- Applied to Snow College's Nursing Program: Year:
- List all colleges/universities you have attended:
- List any prerequisite courses you are currently enrolled in and when you expect to complete them:
- Health Related education/employment:
- Have you ever been convicted of a misdemeanor/felony:
- Acknowledgement of ASN Program Requirements: (read and initial)
- Student Nurse Physical Demands: (read and initial)
- Essays questions:
 - Why you want to go into the nursing profession?
 - How you define integrity?
 - A description of a time when you worked as part of a highly diverse team.
 - A description how you would handle conflict with another person. Please provide an example.
- List: Extracurricular activities, awards/honors, scholarships, Student Government or similar experiences
- Upload: CNA certificate, application receipt, and any other documents you choose
- Name and email address of two evaluators.
- Scholarship: (optional) write a short paragraph describing your financial needs.
