

# Snow College Business Department

Associate of Science Business Degree (ASB) – TRANSFER DEGREE

## Associate of Science Business pathway (degree = Pre-Business core and Gen Ed):

*This group of classes would fit a student who plans to major in business, management, accounting, finance, marketing, business information systems, etc. These are pre-business core classes that transfer and help place the student at junior level in the business school when they transfer.*

## Degree Requirements

### Pre-Business Core

|                                |   |           |
