THINK BUSINESS @ RICHFIELD

snow.edu/business

800 West 200 South • Richfield • (435) 283-7566

Cortnee Jolley, Miss Richfield 2013-14
My Business program on the Snow College Richfield Campus wasn't just smart electives. It taught me skills that were applicable to everyday life that were really beneficial to me. And the teachers are amazing!

Karson Rippstein,
Business Department Intern 2014-15
The main reason I love Snow College Richfield is the Business faculty. They helped me not only in school work but also with my job. The Business program has given me many great opportunities that I could only have here.

Russ Poulsen,
Richfield High School
Student Body President 2012-13
I chose to stay in Richfield for three reasons: 1. the great Business Department, 2. saved lots of money and, 3. I had many resume-building opportunities. I'm happy I stayed at Snow College Richfield.

● **New! Earn the Associate of Science Business degree in Richfield!**

Want to get a four-year degree in a business field? Start at Snow College Richfield Campus by getting your Associate of Science Business degree and transfer seamlessly as a junior to a four-year Business program.

● **Working on Your Generals?**

Did you know that half of your associate's degree is made up of elective credits? Whatever major you choose, take smart electives in Business to make yourself more marketable.

● **Know a Determined High School Student?**

High school juniors and seniors can take Business classes for just \$5 per credit hour and get a real head start on college.

● **Experience a Unique and Personalized Education**

Join us on our travel seminar for credit at DisneyWorld, or compete in the annual business idea competition for the chance to win \$1000.
