If you are a Snow College Concurrent Enrollment senior planning to be a New Freshman at Snow after graduation, you can take advantage of **BADGERTRACKS**. The advantages of participating in the BadgerTracks program are:

1. You do not need to pay an application fee.
2. You will still be able to take classes as concurrent enrollment until you have graduated high school.
3. Since you are already a Snow College student, you do not need to reapply. Just answer three quick questions to let Snow know your plans, even if you plan to defer your enrollment up to two years.
4. You will be able to enroll in on-campus classes at the same time as returning students.
5. You may be eligible for Concurrent Enrollment scholarships.

You can also track your progress toward your academic goal by using DegreeWorks. Log into BadgerWeb and look for DegreeWorks in the Student tab.
