

SNOW COLLEGE

ASSOCIATE OF SCIENCE IN NURSING
REGISTERED NURSING

Dear Prospective Student,

Thank you for your interest in the Associate of Science in Nursing (ASN), Registered Nursing (RN) program at Snow College. We take pride in offering one of the best nursing programs and are confident in the quality of education we provide to our students. The ASN program is accredited by the Accreditation Commission for Education in Nursing (ACEN).

Acceptance to the ASN program is based on a point system and completing all ASN requirements. Potential students must complete an electronic application to be considered. The application is available online at snow.edu/nursing during the application acceptance dates which are listed below. Please review the directions outlined in the *ASN, RN Application Instructions* before starting your application.

Admission Semester	Application acceptance dates
Fall	January 1 st – March 1 st
Spring	July 1 st – September 1 st

Your application, transcripts, evaluations, and other required documents must be received within the application acceptance dates for your application to be considered. It is your responsibility to ensure that your application is complete and submitted on time. Applications are reviewed and scored appropriately. Applicants will be notified of their final class placement via their Snow College email approximately 4 weeks after the final application acceptance date. Applicants accepted into the ASN program will begin school on the first day of the Snow College semester.

Classes are held at the Snow College Richfield Campus and Ephraim West Campus. 24 students are accepted each semester, with 12 students assigned to each campus. Campus assignments are determined by the points each candidate receives during the application process. Students are assigned to their first choice of campus based on their points. Once a campus is full, the remaining students are assigned to their second choice. Our caring instructors use live instruction and video conferencing between the Richfield and Ephraim campus, allowing students to participate in all lectures and discussions.

Students enrolled in the ASN program are required to travel as part of their studies. They will periodically meet on one campus for class activities and labs. In addition, students will travel to various clinical sites. It is the student's responsibility to arrange and cover all travel expenses while participating in the ASN program.

We are here to help you achieve your goal of becoming an RN. If you have any questions or need help with your application, please feel free to contact us.

Sincerely,

 Amber Epling, MSN, RN

Director/Professor
Nursing Department
(435) 893-2228

ASSOCIATE OF SCIENCE IN NURSING MISSION STATEMENT

The mission statement for the Associate of Science in Nursing program is threefold:

1. To educate students in the registered nurse role to be competent, caring nurses.
2. Inspire students to commit to innovative lifelong learning.
3. Encourage students to serve the community and the patients they care for.

Core Theme #1: Tradition of Excellence

Goal: Nursing staff will educate students in the history of nursing and the advances of medicine that will empower students to achieve RN licensure and job placement in the medical field.

Core Theme #2: Culture of Innovation

Goal: Nursing Staff will encourage students to use innovative initiatives that will encourage critical thinking and a desire for life-long learning.

Core Theme #3: Atmosphere of Engagement

Goal: Nursing staff will create opportunities locally or globally, to engage students in service to the surrounding community and their patients.

NURSING DEPARTMENT MISSION STATEMENT

The mission statement for the Snow College Nursing Department is threefold:

1. To educate students for health care fields.
2. To inspire them to love learning.
3. To lead them to serve others.

Through quality instruction, the Nursing Department will also facilitate the development of integrity, responsibility, the need of life-long learning, and community services as health care providers.

ASN, RN REQUIREMENTS

Pre-application requirements: Must be completed before your application is submitted.

- Cumulative College GPA of 3.0. Applicants with a cumulative college GPA between 2.80 to 2.99 may still apply by submitting a written petition. The petition should explain the reasons for the lower cumulative college GPA and can be addressed to the Nursing Committee. Submitting a petition does not guarantee admission into the ASN program.
- Completed one of the following:
 1. Math 0850, 1010, or higher math course passed with a grade of “C” (2.0) or better.
 2. ALEKS PPL score of 30 or above.

Prerequisite courses: Must be completed before the ASN program begins.

- BIOL 2320, 2325 Human Anatomy, Human Anatomy lab
- BIOL 2420, 2425 Human Physiology, Human Physiology lab
- CHEM 1110,1115 Elementary Chemistry, Elementary Chemistry lab
- ENGL 1010 Expository Composition
- Current, Utah CNA license

All prerequisite courses must be completed with a minimum grade of “C” for the ASN degree. Prerequisite courses are limited to a total of three attempts, for any one course, to achieve the “C” grade or above, including transfer courses. Applicants, who have taken a prerequisite course more than three times, will not be considered for admission to the ASN program.

Co-requisite courses: Must be completed by the end of the ASN year. Exception: PSY 1010 or HFST 1500.

- PSY 1010 or HFST 1500* General Psychology or Human Development
- ENGL 2010 Intermediate Research Writing
- MATH 1040** Introduction to Statistics

GE requirements: Must be completed by the end of the ASN year.

- Humanities
- Fine Arts
- American Institution

Suggested courses: Highly recommended but not required.

- NURS 1101 Drug Dosages & Calculations
- BIOL 2060 or 2200 Introductory or General Microbiology
- BIOL 2650 Pathophysiology
- BIOL 1610 Biology I
- HFST1020 Foundations of Nutrition
- PSY 1010 or HFST 1500* General Psychology or Human Development
- NURS 1000 Medical Terminology

Please meet with a Snow College Academic Advisor to ensure all requirements for an ASN degree will be met.

All prerequisite and co-requisite courses must be completed with a minimum grade of “C” for the ASN degree. We follow Snow College’s grade requirement for the GE courses.

Co-requisite and suggested courses, completed with a minimum grade of “B-”, may be given points in the application process.

*PSY 1010 or HFST 1500 is required for the ASN degree and must be completed by the end of the first semester in the ASN program. If the additional course is completed, you may receive points in the application process.

** Associate degrees require a quantitative literacy course, i.e. MATH 1030 or higher; however, students transferring to a BSN or higher nursing program may need MATH 1040.

For more information regarding prerequisite courses, you can contact Student Success. The above courses may be taken at any accredited college or university; official transcripts are required to determine how courses will transfer to Snow College.

ASN, RN APPLICATION INSTRUCTIONS

Applications will be available at www.snow.edu/nursing during the application acceptance dates.

Admission Semester	Application acceptance dates
Fall	January 1 st – March 1 st
Spring	July 1 st – September 1 st

The application must be completed in one sitting and cannot be saved to resume later. The below information is required and must be received within the application acceptance dates to be considered for the RN program.

- Apply to Snow College**
Your Badger ID and Snow College email are required for your application. Correspondence from the Nursing Department, including final class placement, will go to your Snow College email.
- Nursing Application fee of \$25.00, non-refundable**
The Nursing Application fee may be paid online at <https://payment.snow.edu/nursing> during the application acceptance dates. If you encounter any issues with the online payment, please contact the Snow College Cashiers' Offices: 435-893-2249 or 435-283-7296. Upload your receipt with your application.
- Current, Utah CNA license**
Upload a copy of your current CNA certificate.
- Two Evaluations**
Please provide the names and email addresses of two evaluators. Evaluators should be current or former employers or a teacher. Friends or relatives will not be accepted. Evaluation forms will be automatically emailed to your evaluators when you submit your application. Please notify your evaluators of the forthcoming email; have them check their junk/spam folder as well.
- Essay questions**
 - Why do you want to go into the nursing profession?
 - How do you define integrity?
 - Describe a time when you worked as part of a highly diverse team. Give an example.
 - Describe how you would handle conflict with another person. Give an example.

Responses will be evaluated based on how clearly and thoroughly the prompt is addressed, the depth of personal insight provided, the quality and professionalism of the writing, and the relevance of the examples given. Strong responses are focused, well organized, and typically include 6–12 thoughtful sentences with meaningful reflection and minimal grammatical errors.

Applicants are expected to submit original responses that reflect their own experiences, perspectives, and writing. The use of generative AI tools is not permitted and is a violation of Snow College's Academic Integrity Policy as the essay questions are intended to demonstrate authentic reflection, critical thinking, and personal insight. Essays that appear overly generic or lack meaningful reflection may receive reduced scores. For your convenience, you may choose to draft your essay responses in a Word document, then copy them into the online application.

- Scholarship - *Optional***
Those interested in applying for a Nursing Scholarship will need to write a brief description of your financial needs, specify the area of nursing you wish to pursue, as well as your future goals in nursing.
- Official transcripts**
Send official transcripts to Snow College from all colleges/universities you have attended. Snow College transcripts will not need to be sent.

All documents that will be submitted with your application will need to be saved on the computer you will use to complete your application. We strongly recommend using a computer instead of a tablet or phone to complete your application. All submitted documents become the property of Snow College and will not be returned. You can contact Melissa Blackner to see if she has received your documents.

ADDITIONAL REQUIREMENTS

Additional documents will be required for those accepted into the ASN, RN program. Further information will be included in the Welcome Letter that will be sent to those accepted. Complete admission to the Snow College nursing program is contingent upon submission of satisfactory results of the following:

1. Proof of current immunizations:
 - Tdap: within the last 8 years
 - MMR: 2 doses or proof of immunity through a blood test.
 - Varicella: 2 doses or proof of immunity through a blood test.
 - Hepatitis B: 2-3 doses, depending on vaccine, or blood test with reactive result
 - TB: (one of the following)
 - negative 2-step TB tests
 - negative QuantiFERON TB blood test
 - chest x-ray with normal results
 - Flu shot: Required yearly, each fall.
2. Drug screen
3. Background check
4. Physical examination. This will be required yearly.
5. BLS/CPR Card: A current BLS/CPR card must be maintained through the ASN program and meet the Healthcare requirement.

We only accept: American Heart Association: **Healthcare Professional, BLS** or
American Red Cross: **BLS/CPR for Healthcare**

Snow College provides Healthcare BLS/CPR training, go to www.snow.edu/sbdc to find the locations, dates, and times. Contact Melissa if you have questions regarding your BLS/CPR course and if it meets the requirement.

Immunizations that require two doses require at least a 4-week waiting period between doses. We strongly encourage you to start your immunizations ASAP.

The Snow College Nursing Department reserves the right to request additional background checks and drug screenings for students enrolled in the nursing program. Admission to the ASN, RN program may be denied based on the results from the background or drug screen or if the required documentation is not turned in on time.

Admission Semester	Documentation due
Fall	July 1 st
Spring	December 1 st

Documentation for the above requirements must be provided to the office manager by the date listed above. You will be invited to a MedDocs Portal where you can upload your documents. All application material becomes the property of Snow College and will not be returned to the applicant.

New Student Orientation

The New Student Orientation for the ASN, RN program is mandatory for students to attend. If you are not able to attend, you will forfeit your position in the ASN, RN program. Orientation dates will be provided upon acceptance to the ASN, RN program. Approximate dates will be two weeks before classes start fall semester and the Monday or Tuesday before classes start spring semester. Please plan accordingly.

Students accepted into the ASN, RN program must be at least 18 years old by the first day of class. This requirement is from the facilities where students will be completing their clinicals.

ASN, RN CANDIDATE SELECTION POINT SHEET

Criteria	Points Possible
Cumulative GPA (Transcripts from all colleges/universities you have attended). 3.70 to 4.0 = 5 pts. 3.3 to 3.69 = 3 pts. 3.0 to 3.29 = 1 pts. Below 3.0 = 0 pts.	5
Living in the Snow College Service Area (Sevier, Piute, Wayne, Sanpete, Millard, and Juab Counties).	2
Completed over 85% of prerequisites from Snow College	1
Being on the previous alternate list	2
Applying the previous application cycle with a complete and qualified application (This includes: a complete nursing application, two evaluations, all transcripts received, nursing application fee paid, and all pre-application requirements completed. All information needs to be received within the application acceptance dates.)	1
Prerequisite GPA	49
BIOL 2320, BIOL 2420, CHEM 1110, ENGL 1010 A = 10 A- = 8.5 B+ = 7 B = 5.5 B- = 4	
BIOL 2325, BIOL 2425, CHEM 1115 A = 3 A- = 2.5 B+ = 2 B = 1.5 B- = 1	
*Co-requisite/Suggested Courses	
NURS 1101 Drug Dosages & Calculations for Healthcare Professionals	3
*PSY 1010 or HFST 1500 General Psychology or Human Development	2
BIOL 2650 Pathophysiology	2
BIOL 2060 or 2200 Introductory or General Microbiology	2
BIOL 1610 Biology I	2
PSY 1010 or HFST 1500 General Psychology or Human Development (if completed in addition to the co-requisite requirement)	2
*Math 1030/1040/1050 Quantitative Literacy/Introduction to Statistics/College Algebra	1
*ENGL 2010 Intermediate Research Writing	1
HFST 1020 Scientific Foundations of Nutrition	1
NURS 1000 Introduction to Medical Terminology	1
Points for co-requisite and suggested courses will be given depending on the final grade received. Courses lower than a B- will not receive any points.	
Health Care Work Experience	14
Working, or has worked, as a(n): Certified Nursing Assistant (CNA): {>5 yrs = 7 pts}, {2-5 yrs = 5 pts}, {1 yr = 3pt}, {>6 mo. = 1pt} Certified Medical Assistant (CMA): {>5 yrs = 7 pts}, {2-5 yrs = 5 pts}, {1 yr = 3pt}, {>6 mo. = 1pt} Emergency Medical Technician (EMT): {>5 yrs = 7 pts}, {2-5 yrs = 5 pts}, {1 yr = 3pt}, {>6 mo. = 1pt} Other Certified Health Occupation = 2 pts. Nursing Assistant = 1 pt.	
ASN Application and Two Evaluations	20
Points for the application will be given based on writing skills such as grammar, spelling, vocabulary usage, and the proper use of the English language.	
Maximum Total Points Possible	111

SUGGESTED COURSE OF STUDY FOR THE ASN, RN PROGRAM

Pre-Application Requirements: Math 0850, 1010, or higher math, or equivalent,
Cumulative GPA of 3.0 or higher; GPA of 2.80 to 2.99 may be considered with written petition.

Prerequisite Courses		
Course		Credit
BIOL 2320-2325	Human Anatomy with Lab	4
BIOL 2420/2425	Human Physiology with Lab	4

NURS 2170	Transition to Professional Nursing	2
NURS 2180	Nursing Capstone Course	2
NURS 2280	Nursing Capstone Clinicals	3
Total credits:		7

The Snow College ASN program is a very rigorous, time-intensive program. ASN courses are taken as cohorts; students must register for all nursing courses offered each semester. All ASN courses must be passed with a minimum grade of “B-” to continue in the ASN program. Students are expected to attend all classes, labs, and clinical assignments as scheduled. Clinical sites are located in Central Utah.

Completion of the nursing program and eligibility for state licensure do not guarantee employment. Healthcare employers are subject to federal employment eligibility requirements, including completion of an I-9 form, which may require documentation not issued by the College or the State.

See Snow College fee table for information on tuition and fee costs. Additional fees may be associated with individual nursing courses. To apply for Financial Aid: www.fafsa.ed.gov or call: (435)283-7129.

ASN, RN APPLICATION ELECTRONIC QUESTIONS

- Badger ID#:
- Last, First, Middle Name:
- Date of Birth: (mm/dd/yyyy)
- Former Names or aliases:
- Home Phone/Cell Phone Number:
- E-mail address:
- Snow College E-mail. This is required!
- Permanent Address:
- Mailing Address:
- What city do you plan to live in while attending school?
- Emergency Contact Information: Name, phone number, relation
- Choice of Campus:
- Applied to Snow College:
- Applied to Snow College's Nursing Program: Year:
- List all colleges/universities you have attended:
- List any prerequisite courses you are currently enrolled in and when you expect to complete them:
- Health Related education/employment:
- Have you ever been convicted of a misdemeanor/felony:
- Acknowledgement of ASN Program Requirements: (read and initial)
- Student Nurse Physical Demands: (read and initial)
- Essays questions:
 - Why do you want to go into the nursing profession?
 - How do you define integrity?
 - Describe a time when you worked as part of a highly diverse team. Give an example.
 - Describe how you would handle conflict with another person. Give an example.
- List: Extracurricular activities, awards/honors, scholarships, Student Government or similar experiences
- Upload: CNA certificate, application receipt, and any other documents you choose
- Name and email address of two evaluators.
- Scholarship: (optional) write a brief description of your financial needs, specify the area of nursing you wish to pursue, as well as your future goals in nursing,
