LEARN IN THE OUTDOORS!

If you are interested in a career in the outdoors or simply want an engaging and dynamic college experience the Outdoor Leadership and Entrepreneurship Fall Immersion Semester is

for you. You will spend your semester studying, learning, and experiencing outdoor leadership first-hand. The unique nature of the Fall Immersion Semester allows you to gain significant “real world” experiences your first semester at Snow College. You will stay at the Great Basin Environmental

Education Center (located 10 miles up Ephraim Canyon), which will also function as the base for the numerous field experiences. The 15 credit outdoor- based curriculum will provide a foundation of outdoor leadership skills, while still including two required General Education courses. While you participate in the planning and implementation of outdoor field experiences, you will also have several opportunities to experience and work with a wide variety of outdoor related businesses and organizations.

Now is the time to get a Top 10% Education!
