

Present: David Allred, Adam Teichert, Scott Jackson, David Rodriguez, Trent Fawcett, Jon Vanorman, Nick Marsing, Michael Olsen 2, Lorie Hughes, Kristi Stevens, Lindsay Chaney, Anthony Beal, Heather Holland. Virtually Landon Petersen and Ryan Thalman.

FYE conference –

- Scott: Snows FYE is pretty awesome. We are doing better things than many big schools.
- Adam: See if we can incorporate service. Identify values before a plan.
 - No service learning foundations – something to consider
 - Publish students writing – advice for future students
 - Showcase/symposium
 - Peer mentors – or peer leaders
 - Qualitative experiences about data
- David R: ACE – academic center for excellence, emphasize free
 - worksheet of my academic plan – first page that looks like a diploma (see Anthony for handouts) Barbara Hong
- David A: nationally people are amazed
 - Asset based mentoring of colleagues
- Anthony: connections across universities
 - Boise State – University Foundations
- Lindsay: the whole first year experience

AAC&U –

- Nick – talks about the conference. Collaborating with students on their experiences.
 - Incorporating student voices into feedback
 - Students want real world connections
 - Students express opinions to committees – forms
 - “don’t make decisions about us without us”
