Use all the template headings below.

Informant Data Provide data about the informant that is relevant to the folklore collected.

Name
Gender
Birthplace
Home Region
Age
Relation to Collector
Occupation
Hobbies
Ethnic Background
Religion
Other

Background and Context Pretend you are someone who doesn't know the informant, the folklore, or the culture involved. Explain anything that would be unclear to an outsider including terminology, history, or customs.

Folklore Item

How Collected: Describe how you collected, transcribed, and edited the item.

Text: For verbal folklore, transcribe the words spoken or written.
For customary folklore, describe the activities and actions involved in the event.
For material culture, describe the object and provide a drawing or photo.

Performance of Item Describe the mood, location, hand gestures, participants, timing, or any other information that reveals how the folklore is performed. Try to help the reader imagine the setting when the folklore is performed.
