

August 22, 2005

Content of English 1010 and 2010

English 1010

Students will be expected to submit a minimum of 20 revised pages during the semester.

In addition to an introduction to the basic rhetorical patterns and other content associated traditionally with first term composition courses, English 1010 at Snow College will include:

- An introduction to literature
- Writing for essay exams
- Critical reading skills
- Intro to Argument for final paper

English 2010

Students will be expected to submit a minimum of 15 revised pages during the semester.

In addition to a focus on critical thinking, argumentation, analysis, library research basics, and writing from research, English 2010 at Snow College will include:

- An introduction to literature
- Instructions for writing a formal letter
- A focus on primary and secondary research
