

Beyond Snow: Bachelor of Science in Nursing, B.S.N.

Snow College - in partnership with **SUU**- offers an opportunity for students to complete a Bachelor of Science in Nursing program *without* leaving the central Utah area.

Complete all of the pre-requisite courses and/or an Associate's Degree at **Snow College** and then transfer to **SUU's** Bachelor of Science in Nursing program.

If you have credits from other colleges or you are a current **Snow College** student, please call the Registration Office at (435) 283-7172, they can assist you with transferring credits and help you continue your education towards a Bachelor's Degree.

The Student Success website, www.snow.edu/advise, includes "Major Guides" for Ephraim and Richfield.

For more information on the B.S.N. program offered through **SUU**, contact Dean Brereton in the **Snow College** nursing department, 435-283-7601 or dean.brereton@snow.edu.

In addition to General Education courses, **Snow College** offers the following RN prerequisite courses which may also be requirements for the B.S.N. program.

BIOL 2060 & 2065: Introductory Microbiology & Lab
BIOL 2320/2325: Human Anatomy & Lab
BIOL 2420/2425: Human Physiology & Lab
BIOL 2650 & 2655: Pathophysiology & Lab
CHEM 1110 & 1115: Elementary Chemistry and Lab
HFST 1020: Principles of Nutrition
MATH 1040: Introduction to Statistics
PSY 1010: General Psychology
ENGL 1010: Introduction to Writing
ENGL 2010: Intermediate Writing

Let **Snow College** be your bridge to a **SUU** Bachelor of Science in Nursing program and your future!
