

Beyond Snow: Economics, B.S.

Snow College in partnership with **USU** offers an opportunity for students to complete a Bachelor's Degree in economics *without* leaving the central Utah area.

Complete your Associate's Degree at **Snow College** including General Education courses and some of the required prerequisite courses and then transfer to **USU's** branch campuses in Ephraim or Richfield to complete the rest of your upper level economics degree requirements. Courses are delivered online so students may participate anytime and anywhere they have an internet connection.
