---

**Snow College** in partnership with **USU** offers an opportunity for students to complete a Bachelor's Degree in elementary education *without* leaving the central Utah area.

Complete your Associate's Degree at **Snow College** including General Education courses and some of the required Elementary Education prerequisite courses and then transfer to USU's branch campuses in Ephraim or Richfield to complete the rest of your upper level elementary education degree requirements. Courses are delivered via video conferencing technology.

If you have credits to transfer to **Snow College**, you are a Snow College graduate, or you are ready to graduate from Snow College, please call the Registrar's Office at (435) 283-7171, 7172, or 7176. They can assist you by sending an Official Transcript to **USU**.
