

Beyond Snow: Mathematics Education, B.S.

Snow College in partnership with **USU** offers an opportunity for students to complete a Bachelor's Degree in math education *without* leaving the central Utah area.

Complete your Associate's Degree at **Snow College** including General Education courses and some of the required Math Education prerequisite courses and then transfer to **USU's** branch campuses in Ephraim or Richfield to complete the rest of your upper level math education degree requirements. Courses are delivered via video conferencing technology.

If you have credits to transfer to **Snow College**, you are a Snow College graduate, or you are ready to graduate from Snow College, please call the Registrar's Office at (435) 283-7171, 7172, or 7176. They can assist you by sending an Official Transcript to **USU**. If you have credits from another college or university, please contact the institution where the credits were earned and request an official transcript to be sent to **USU** to help you begin your education towards a Bachelor's Degree.

The Student Success website, www.snow.edu/advise, includes "Major Guides" for Ephraim and Richfield.

For more information on upper division math education courses offered through **USU**, click on the following link: http://ephraim.usu.edu/degree_programs/. **Snow College** offers the following courses beyond General Education requirements towards your Mathematics Education, B.S. degree:

EDUC 1010: Introduction to Education

MATH 1210: Calculus I

MATH 1220: Calculus II

MATH 2210: Multi-variable Calculus

MATH 1040: Introduction to Statistics

Preferred courses: MATH 2270: Linear Algebra and

MATH 2280: Differential Equations

Or (less-preferred)

MATH 2250: Linear algebra & Differential Equations

Let **Snow College** be your bridge to a **USU** Bachelor's Degree and your future!
