

Beyond Snow: Management Information Systems, B.S.

Snow College in partnership with **USU** offers an opportunity for students to complete a Bachelor's Degree in management information systems *without* leaving the central Utah area.

Complete your Associate's Degree at **Snow College** including General Education courses and some of the required Management Information Systems prerequisite courses and then transfer to **USU's** branch campuses in Ephraim or Richfield to complete the rest of your upper level management information systems degree requirements. Courses are delivered via video conferencing technology.

If you have credits to transfer to **Snow College**, you are a Snow College graduate, or you are ready to graduate from Snow College, please call the Registrar's Office at (435) 283-7171, 7172, or 7176. They can assist you by sending an Official Transcript to **USU**. If you have credits from another college or university, please contact the institution where the credits were earned and request an official transcript to be sent to **USU** to help you begin your education towards a Bachelor's Degree.

The Student Success website, www.snow.edu/advise, includes "Major Guides" for Ephraim and Richfield.

For more information on upper division management information systems courses offered through **USU**, click on the following link: http://ephrain.usu.edu/degree_programs/. **Snow College** offers the following courses beyond General Education requirements towards your Management Information Systems, BS degree:

- ACCT 2010: Financial Accounting
- ACCT 2020: Managerial Accounting
- ECON 2010: Principles of Microeconomics
- ECON 2020: Principles of Macroeconomics
- BMGT 2050: Business Law
- BT 2010: Business Computer Proficiency
- BT 2200: Business Communication
- MATH 2040: Applied Statistics

Let **Snow College** be your bridge to a **USU** Bachelor's Degree and your future!
