

Beyond Snow: Recreation Resource Management, B.S.

Snow College in partnership with **USU** offers an opportunity for students to complete a Bachelor's Degree in recreation resource management *without* leaving the central Utah area.

Complete your Associate's Degree at **Snow College** including General Education courses and some of the required Recreation Resource Management prerequisite courses and then transfer to **USU's** branch campuses in Ephraim or Richfield to complete the rest of your upper level recreation resource management degree requirements. Courses are delivered via video conferencing technology.

If you have credits to transfer to **Snow College**, you are a Snow College graduate, or you are ready to graduate from Snow College, please call the Registrar's Office at (435) 283-7171, 7172, or 7176. They can assist you by sending an Official Transcript to **USU**. If you have credits from another college or university, please contact the institution where the credits were earned and request an official transcript to be sent to **USU** to help you begin your education towards a Bachelor's Degree.

The Student Success website, www.snow.edu/advise, includes "Major Guides" for Ephraim and Richfield.

For more information on upper division recreation resource management courses offered through **USU**, click on the following link: http://ephraim.usu.edu/degree_programs/ . **Snow College** offers the following courses beyond General Education requirements towards your Recreation Resource Management, B.S. degree:

BIOL 1010: General Biology
CHEM 1110: Elementary Chemistry
MATH 1050: College Algebra
GEO 1110/1115: Physical Geology & Lab
Or GEOG 1000/1005: Physical Geography & Lab
BIOL 1810: Biological Careers
BIOL 2300/2305: Plant Taxonomy
GEOG 1800: Interdisciplinary Intro to GIS

MATH 2040: Applied Statistics

Let **Snow College** be your bridge to a **USU** Bachelor's Degree and your future!
