

## Beyond Snow: WSU/Snow College PN to RN Program

---

**Snow College** in partnership with **WSU** offers an opportunity for students to complete a Registered Nurse program *without* leaving the central Utah area.

Complete all of the pre-requisite courses and/or an Associate's Degree at **Snow College** and then transfer to **WSU's** branch campus in Richfield to complete the rest of your Registered Nurse requirements.

If you have credits to transfer to **Snow College**, you are a Snow College graduate, or you are ready to graduate from Snow College, please call the Registrar's Office at (435) 283-7171, 7172, or 7176. They can assist you by sending an Official Transcript to **WSU**. If you have credits from another college or university, please contact the institution where the credits were earned and request an official transcript to be sent to **WSU** to help you begin your education towards a Bachelor's Degree.

The Student Success website, [www.snow.edu/advise](http://www.snow.edu/advise), includes "Major Guides" for Ephraim and Richfield.

For more information on the PN to RN program offered through **WSU**, click on the following link: [http://www.Weber.edu/Nursing/degrees\\_and\\_programs/campus\\_locations/Snow.html](http://www.Weber.edu/Nursing/degrees_and_programs/campus_locations/Snow.html) .

In addition to General Education courses, **Snow College** offers the following RN prerequisite courses:

- BIOL 2060 & 2065: Introductory Microbiology & Lab
- BIOL 2320/2325: Human Anatomy & Lab
- BIOL 2420/2425: Human Physiology & Lab
- BIOL 2650 & 2655: Pathophysiology & Lab
- CHEM 1110 & 1115: Elementary Chemistry and Lab
- HFST 1020: Principles of Nutrition
- MATH 1040: Introduction to Statistics
- PSY 1010: General Psychology
- ENGL 1010 Introduction to Writing
- ENGL 2010: Intermediate Writing

BT 1010: Intro to Computers & Business Applications

Let **Snow College** be your bridge to a **WSU** Registered Nurse completion program and your future!
