2. Read through the **MyMathLab Registration Instructions** and gain access to MyMathLab by going to: <https://pearsonmylab.com>. (If you need Technical Support call 1-800-677-6337.)
3. Print a copy AND carefully read through the **Syllabus** and **Instruction Schedule**. (Keep a copy of these documents near your computer so you don't miss any important deadlines.)
4. After completing 1 through 3, send me an e-mail (cindy.alder@snow.edu) with the following information:
 - a. Full name and student number. (Include your preferred name if different.)
 - b. Mailing Address
 - c. Email where I can reach you.
 - d. Telephone number(s) where I can reach you.
 - e. The best time to reach you by telephone.
 - f. Something unique about yourself.

"Still have questions?"

- Any course-specific questions should be **posted** to me, Cindy Alder. Please use the Discussion Board area within the **MyMathLab** website for course related questions. Also, please realize that if YOU have a question, it is likely that others have similar questions.
- If you have a question of a personal/confidential nature, please e-mail me directly at cindy.alder@snow.edu.

Class "officially" begins on Wednesday, August 22nd, but feel free to begin to orient yourself to the online course environment, including Canvas and MyMath Lab.

I look forward to seeing you all online! Good Luck!
