Student Learning Outcomes:

Upon successful completion of this course, students will be able to:

- measure/modify short term goals
- identify stress sources
- select characteristics of positive image
- demonstrate government awareness
- apply team skills to a group project
- observe and critique team skills at a local professional meeting
- demonstrate business meeting skills
- demonstrate social etiquette
- complete survey for employment opportunities
- develop a 3-5 minute speech
- complete a job application
- assemble an employment portfolio.

Course objectives will be achieved by providing students with instructional and hands-on experiences in the following areas:

- goals
- stress
- government awareness
- group project and team skills
- business meeting skills
- social etiquette
- employment opportunities
- public speaking
- job applications
- employment portfolio

General Education Outcomes:

3) Speak effectively in a variety of contexts.

Students are required to give oral presentations on job related topics. Effective oral communication is a key component in this program.

4) Retrieve, evaluate, interpret, and deliver information through a variety of traditional and electronic media.

Students will participate in employment research utilizing printed and electronic media. Employment outlook, availability, and job description information is researched and reported.

5) Apply a cultural and historical awareness to a variety of phenomena.

Students will understand the importance of a culturally diverse workplace and their role in participating in the same. Students will research and discuss issues relating to cultural diversity and sensitivity.

8) Apply ethical reasoning to a variety of contexts.

Students will discuss business and workplace ethics as they pertain to a given field of work. Special emphasis is placed on work ethic, honesty, and dependability on the employee's part.

10) Apply personal-fitness and wellness-management principles to lifestyle choices.

Students will discuss personal hygiene and grooming as keys to professional success. The importance of maintaining one's health and appearance is discussed as it pertains to professionalism.

Key Performance Indicators:

In class:

- Student proficiency will be evaluated on completion of assigned review problems and completion of workbook assignments with a 70% minimum accumulated score.

Following class:
