Many students have simply accepted debt as a harsh reality of higher education. We want you to challenge that thinking. Snow College has the lowest tuition rate in the state. In fact, on average you'll pay half as much at Snow as you'd have to pay at the bigger schools. In addition to our low tuition rates, Snow offers multiple ways to help you pay for college:

## SCHOLARSHIPS

Scholarships are an excellent way to pay for your education. It's literally free money! With so much scholarship money up for grabs, there's sure to be some out there waiting for you.

## FINANCIAL AID

Did you know that half of all high school grads that don't complete their FAFSA would have qualified for a Pell grant? That's like throwing away money! Filling out the FAFSA is quick, free, and completely confidential.

## PAYMENT PLANS

Students can sign up for an interest-free automatic payment plan for the current semester. It's quick and easy to do right from the payment portal.

## STUDENT JOBS

Get a job! Part-time jobs are another great way to help you pay for school. Student jobs are posted at [snow.joinhandshake.com](http://snow.joinhandshake.com) beginning August 1st.
