

THE BEAUTIFUL NOYES BUILDING IN EARLY DECEMBER

SNOW COLLEGE FIRST FRIDAY

SNOW COLLEGE ALUMNI ASSOCIATION

January 3, 2014

IN THIS ISSUE:

- A NEW YEAR FOR SCAA
- MEET THE ALUMNI BOARD
- JANUARY ALUMNI SPOTLIGHT
- SCHEDULE OF JANUARY EVENTS
- ALUMNI SCHOLARSHIP FUND

A new year for the Snow College Alumni Association

Welcome to the first edition of "First Friday" the Snow College Alumni Association Monthly Newsletter. As the New Year brings resolutions, motivations and innovations-your Alumni Association is joining the bandwagon and starting the year off on a new foot.

As many of you participated in the alumni survey that was sent to roughly 10,000 alums, we have had a plethora of feedback and have some great starting places for keeping you in the loop. If you haven't had the chance to take the survey, you can click the link below. Due to under usage and cost, the online community will no longer be active and we will strive to connect in other ways. You can still update your information and stay in touch with us at snow.edu/alumni/update.

In these issues of First Friday you can expect to find schedules for sporting events, music and theatre performances and any other activities that may interest you, as alums. You may also read about updates related to the college and the students, upcoming reunions, alum's in the spotlight, ways to support Snow College and off campus involvement opportunities.

Meet the Alumni Board

The Alumni Association is led by members of the alumni community on a voluntary basis. These members are selected by referral and play an integral role in ensuring the association's mission statement is followed through.

The mission of the Snow College Alumni Association is: *maintaining an active presence on the Snow College campus, communicating campus events to alumni members, recognizing distinguished alumni and being a fundraising advocate for the college.*

Current members of the Alumni Board:

President: Jeff Olson '99
Current city: South Jordan, UT

Past President: DeVere Day '99
Current city: South Jordan, UT

Emeriti President: Lynn Schiffman '92-'09
Current city: Ephraim, UT

Member-at-large: Brittany Maxfield '96
Current city: Riverton, UT

Member-at-large: Gordon Christensen '53
Current city: Ephraim, UT

Member-at-large: Roger Monson '85
Current city: Riverton, UT

Member-at-large: Greg Bosshardt '04
Current city: Ephraim, UT

Member-at-large: Daniel Maynes '89
Current city: Provo, UT

Member-at-large: John Willmore '89
Current city: Nephi, UT

January Alumni Spotlight:

Paul Chadwick

Where are you currently employed?

Currently I work for the Utah Education Association as the Director of Information Technology.

What are your hobbies?

I have many but my favorite is fly fishing, especially from a drift boat. I enjoy rowing my boat and playing guide for my fishing buddies and I tie all my own flies. I also enjoy cooking, especially BBQ and smoking meats.

How did Snow College contribute to your accomplishments?

There is no question for me that my experiences at Snow College have helped me be successful in life. Snow's small intimate campus provided opportunities to participate in a wide variety of activities and events. As a young freshman this was important to me. I remember always being busy. I also remember being challenged by many of my classes. I quickly learned I had to study to be successful. It was at Snow I learned how to be a student and I've found to be successful in life we can never stop being students. I also had the opportunity to play football with a great group of young men and coaches that every day demanded that I deliver the best I had to offer.

What is your most memorable moment at Snow College?

I've always felt incredibly lucky to have played football at Snow College and to have done so alongside some great athletes. I'll never forget the feeling I had after we'd won the NJCAA National football Championship. It was thrilling. But just as memorable is the totality of my experiences at Snow and occasionally something will remind me of them. They are times I will always cherish.

January Schedule of Events

Thursday, 1/2-Badger Basketball @ North Idaho College
Women-5:30 pm Men-7:30pm
Couer D' Alene, ID

Saturday, 1/4-Badger Basketball @ College of Southern Idaho

Do you or someone you know deserve to be our next Alumni Spotlight? If so, email a name, address and phone number to alumni@snow.edu

UPCOMING:

ALUMNI NIGHT -February 8th

5:00pm Men's Basketball vs. SLCC
@ Home Activity Center

Free Admission for Alumni in Snow Swag

Alumni Scholarship Fund

To commemorate the 125th anniversary of Snow College, we have set a \$125,000 goal for the endowment fund. This amount will allow us to fund two scholarships a year from the interest accrued. Once this scholarship is fully funded, Snow College students will benefit every year for generations to come. The scholarship fund will be supported by donations from alumni.

Donations to the scholarship fund of \$1,000 or more will be recognized on a special commemorative plaque that will be

located on our recognition wall in the beautiful new Karen H. Huntsman Library. This plaque will list the names of the first 125 families and individuals who make this legacy commitment.

You can help students excel by making a contribution today. Every gift, regardless of the amount, is needed and greatly appreciated. You can be assured that your gift to the Alumni Scholarship Fund will help students achieve their educational goals

The Snow College Alumni Association Board invites you to join with us in supporting the Alumni Scholarship Fund. Please remember that no amount is too small and every gift makes a difference. Thank you for your continued support of Snow College and its incredible students.

Join the legacy at Snow College!

A message from Jeff Olson:

Snow College is a unique institution of higher education. As the best two-year school in America, you should take pride in being a graduate of Snow College. Being on the Alumni Association Board has given me an opportunity to look back at how my time at Snow College impacted my career, my family and my life. It has likely impacted your life in a similar manner.

I look at the other schools that were two-year schools at the time I attended Snow and don't see many left. This is a testament to the quality experience and education one has and continues to receive at Snow College. It also should encourage Snow College to adapt to new educational demands and opportunities. As alumni, we can play an important role in promoting Snow College and the high educational ideals it maintains.

The school recently developed a strategic planning vision. You can review it at www.snow.edu/vision. This vision included input from faculty, staff, students, alumni and the community and will guide decisions and initiatives at the school for the next 5 years.

With great alumni support we can help ensure that the tradition of a quality education and fantastic campus experience are available for future Snow College Badgers. We hope to see you return to Snow College and check out the changes, relive some of the memories and introduce your children and grandchildren to this great school.

Jeff Olson
