

Gas Technician Certification Class

About This Course:

This course is for preparation of the Rocky Mountain Gas Association (RMGA) Certification exam, the state's certification for all HVAC Installers & Technicians. Students will receive 24 hours of instruction on topics required for the certification test. Instruction is to be on Thursday, Friday and Saturday.

*CE credits are available for this course for RMGA members only and there is a \$15 recording fee. You **MUST** notify RMGA *prior* to the class if you would like credit.

The RMGA Certification Course materials include:

- Test Voucher (Includes two test attempts) – Expires in 6 months
- RMGA Study Guide (Revised January 2019)
- 2018 International Fuel Gas Code Book
- 6 month access to online training videos
