

Snow College will no longer be sending paper statements, so it is very important that you check your "Badger" account frequently. Please log in to Badger web with your Badger ID number and your pin number on a regular basis to make sure your balance is paid and to make sure there have not been additional charges incurred from dropping or adding a class or other types of fees.

To check the status of your account: Log on to Badger Web with your student ID and your pin number: Go to Student Services/Financial Aid/Payments, then Student Record, then Account Summary. If your account is not paid in full by the 21st calendar day and you have not set up a payment plan, you will be assessed a late fee.

To set up a payment plan, please go to: [www.snow.edu/finaid/paymentplan.html](http://www.snow.edu/finaid/paymentplan.html).

Late fees are substantial (\$70 for the first month and \$40 per month for each month you are late thereafter), so you can see it is very important that you check your account on a very regular basis and make payments regularly.

If you have been awarded a scholarship, please make sure all information has been turned in and, again, check your Badger account frequently.

**REMEMBER:** *Financial Aid and/or scholarships will not pay for all of your Snow College school expenses.*

Financial Aid information is also available by accessing your Badger Web account.
