

Snow College Foundation-IME-Becas Scholarship for Higher Education 2023 Application Information

The Mexican American Scholarship Program of the Snow College Foundation is pleased to announce a scholarship competition for students enrolled at the Snow College during the Fall Semester, 2023. The goal of the scholarship, funded jointly by the Institute for Mexicans Abroad (IME) and the Snow College Foundation, is to provide financial assistance for promising low-income students of Mexican origin pursuing an associate degree. The scholarship also seeks to support students who demonstrate a commitment to leadership or service that benefits the Mexican immigrant population. Any student with demonstrated financial need enrolled as a full-time student at Snow College is eligible to apply, but students who already hold scholarships that cover more than half of the full cost of their Fall 2023 tuition should not apply. We will award scholarships for up to \$1,000 to cover the costs of resident tuition, fees, and books during Fall Semester, 2023. The total funding available is \$7,000.

Selection criteria for the IME-Becas Scholarship for higher education include:

1. Students must have a demonstrated financial need. Students who are not eligible for FAFSA loans or grants are encouraged to apply.
2. Students must be of Mexican origin, either through birth or family background.
3. Scholarships are for students who have achieved a minimum 2.5 cumulative GPA.
4. Students should maintain a minimum 2.5 GPA during the semester in which they hold the scholarship.
5. Students must be enrolled full time (minimum of 12 credits) while receiving the award.
6. Students must demonstrate commitment to leadership or service in the Mexican immigrant community.

Preference will be given to the following:

- Mexican-American students who are either the first or second generation in their family to live in the United States
- Students from Snow College's six-county service area (Sanpete, Sevier, Millard, Piute, Wayne, and Juab) Non-FAFSA eligible students/DACA beneficiaries*

** This scholarship qualifies under SB 253, which makes it so any student who graduates from a Utah high school (regardless of high school graduation year) IS NOT required to provide proof of lawful U.S. presence for scholarships or tuition waivers in Utah's public colleges and universities. Therefore, regardless if the student has or does not have DACA, as long as they graduated from a Utah high school, they may apply to privately funded scholarships administered by a Utah public college or university.*
