

## Rural Student Scholarship Application

### 2024-2025 Academic Year

Snow College is proud to announce we have some one-time funding that is dedicated for our students from Rural Utah. This scholarship funding is intended to help rural students achieve their goals of attending college.

Applicants must complete this application and include a brief description of how this funding would help make a difference in your path towards higher education.

Applications must be submitted by May 31st, 2024, or the last day of high school.
