Introduction (Step 1 of 15)

We encourage all students to review our Application Walkthrough prior to starting the application process. You may want to have it open in a separate tab as you complete the process.

Here are a few things to remember:

1. Upon completing your application to "Housing Contract," you will be considered in an on-campus housing contract.
2. You will need to select a room and/or roommates in Steps 11-13. If you choose to not select a room, a room will be assigned to you based off your preferences and availability by the Office of Residence Life.
3. You may log into the Application to view your Profile and Application Status pages at any time. These pages will allow you to view your Roommates, Room Assignment and your personal information.
4. Please take time to complete each step in the application process. At the end of your application please click on "Application Status" to review your selections.
5. Click the "Start Application" button and begin your application process.
