

Financial protection that's with you all the way.

Basic Disability insurance from New York Life Group Benefit Solutions.

A disability doesn't always mean a serious handicap. It can be any illness or injury that prevents you from earning your salary. Consider what would happen if you couldn't work or pay your bills. How might this affect your savings and your lifestyle? Disability insurance from New York Life Group Benefit Solutions (NYL GBS), can help provide the financial protection and assurance you'll need if you experience a covered illness or injury that keeps you out of work.

Why is disability insurance important?

Disability insurance can pay you benefits if you suffer a covered disability. Think of it as insurance for a portion of your paycheck. Payments may come directly to you or someone you designate and can help pay for things like:
