

**SNOW
COLLEGE**

OPEN POSITION:

**Administrative Assistant –
Natural Science and
Mathematics Division**

About Our College

Snow College is a two-year public college. **In January of 2020 The Chronicle of Higher Education ranked Snow College #1 in the nation for student success of two-year colleges.** Located in the heart of Utah, at the foot of the Wasatch Mountains, Snow College is one of the oldest comprehensive two-year college in the Western United States.

The College was established in 1888 and excellence continues to be the hallmark of our work and activities. We are the preferred choice of approximately 6,000 students who want a small college experience filled with a variety of activities, events and performances, to go along with their outstanding academic opportunity.

Snow College offers programs and courses which are highly interactive and are designed to reach a broad spectrum of students: high school students desiring college courses, traditional on-campus students, technical education students, online students, and non-traditional students who wish to start or complete a degree. With campuses located in Ephraim, Richfield, and online, students are able to complete degrees in Associate of Arts, Science or Applied Science or have the option of numerous specialized, short-term technical training certificates and diplomas including a few programs with bachelor's degrees. Snow is committed to the success and positive experience of every one of these students.

Highlights

- Snow College won **2021 Best of State Awards** in the following areas: Higher Education Administrator, College/University Teacher, Educational Advisor, Curriculum Development, and the Best of State Statue award in Education.
- Small class sizes result in students receiving more personal attention and specialized assistance from dedicated professors and advisors.
- Low tuition, housing and fees make Snow College the most affordable and best valued college in Utah.

Mission

Snow College continues a tradition of excellence, encourages a culture of innovation, and cultivates an atmosphere of engagement to advance students in the achievement of their educational goals.
