

**SNOW
COLLEGE**

OPEN POSITION:

**Administrative Assistant –
Economic Development**

About Our College

Snow College is a two-year public college. **In January of 2020 The Chronicle of Higher Education ranked Snow College #1 in the nation for student success of two-year colleges.** Located in the heart of Utah, at the foot of the Wasatch Mountains, Snow College is one of the oldest comprehensive two-year college in the Western United States.

The College was established in 1888 and excellence continues to be the hallmark of our work and activities. We are the preferred choice of approximately 6,000 students who want a small college experience filled with a variety of activities, events and performances, to go along with their outstanding academic opportunity.

Snow College offers programs and courses which are highly interactive and are designed to reach a broad spectrum of students: high school students desiring college courses, traditional on-campus students, technical education students, online students, and non-traditional students who wish to start or complete a degree. With campuses located in Ephraim, Richfield, and online, students are able to complete degrees in Associate of Arts, Science or Applied Science or have the option of numerous specialized, short-term technical training certificates and diplomas including a few programs with bachelor's degrees. Snow is committed to the success and positive experience of every one of these students.

Highlights

- Snow College won **2021 Best of State Awards** in the following areas: Higher Education Administrator, College/University Teacher, Educational Advisor, Curriculum Development, and the Best of State Statue award in Education.
- Small class sizes result in students receiving more personal attention and specialized assistance from dedicated professors and advisors.
- Low tuition, housing and fees make Snow College the most affordable and best valued college in Utah.

Mission

Snow College continues a tradition of excellence, encourages a culture of innovation, and cultivates an atmosphere of engagement to advance students in the achievement of their educational goals.

Roles of Snow College

Building upon a tradition and heritage of academic distinction and personalized attention, Snow College fills the following roles:

1. Snow College serves as one of the nation's finest two-year transfer institutions with a focus on liberal arts and sciences, and maintains cooperative relationships with distinguished colleges and universities.
2. Snow College enhances the economic development of Central Utah through partnering with business, industry, government, and community to provide high-demand professional, career, and applied technology education.
3. Snow College enriches the educational, cultural, and recreational life of Central Utah through community and continuing education opportunities, cultural and athletic events, and community outreach services.
4. Snow College is dedicated to helping individual students achieve their academic goals through a caring, personalized learning environment, providing comprehensive student success services, library and learning resources, and targeted supplemental and developmental education programs.
5. Snow College focuses on developing the whole student and encourages student involvement in a wide variety of co-curricular activities, service organizations, service learning opportunities, academic and special interest clubs, athletics, and student leadership opportunities.
6. Snow College welcomes all who will gain from or contribute to its educational and student-centered environment including individuals with diverse backgrounds and perspectives.
7. Snow College partners with higher education institutions which offer baccalaureate and graduate programs in select disciplines for the citizens of Central Utah.

The Job

Description:

Administrative Assistant of Economic Development will assist in all assigned duties of the director to accomplish goals of the college, business department, continuing education department and all other team member of the economic development team.

Qualifications:

- Education—must have a high school diploma or equivalent.
- Must have honesty, integrity, loyalty to the Institution and the Department, and practice high ethical standards in always performing your work.
- Communication—proficient in Microsoft office, Google suite and other basic computer skills.
 - Ability to communicate professionally via phone and email.
 - Multi-task various conversations & tasks.
- Previous office experience preferred.
- Ability to work well with team members and self-motivated to work independently.

Duties:

- Assist the Snow College Executive Director of Economic Development by scheduling appointments, attending meetings, maintaining a presence on campus, and supporting the director's role.
- Assist the Small Business Development Center (SBDC) in assessing community need, scheduling training, and assisting with development and organization of events as needed.
- Assist the Continuing Education Director in coordinating the Continuing Education program by assessing community need, scheduling courses, managing payments and budgets, and implementing best practices.
- Assist in the internship program, connecting Snow College students and businesses to benefit both the students and businesses.
- Maintain an updated list of businesses in the service region, along with contact information and interactions.
- Work closely with economic development partners in the six-county area, including county economic development directors, county commissioners, mayors, and other members of the Six-County Association of Governments, SBDC/Custom Fit representatives, STIT representatives, public school CTE directors, and academic and administrative leaders in the College.
- Keep at the forefront an understanding of industry goals and needs in the six-county area.
- Monitor feedback from Snow College industry advisory groups.
- Help maintain ongoing contact with the Governor's Office of Economic Development and their initiatives for rural Utah.
- Working with economic development partners, seek resources to fund program development that meet the needs of the College's economic development and continuing education divisions.
- Demonstrate professionalism in association with all other employees including faculty, staff, students, etc.; have honesty, integrity, loyalty to the institution and the department, and practice high ethical standards always; relationships built through the six-county service region is paramount to success.
- Other duties as assigned.

Diversity & Inclusion

The Snow College administration, faculty, staff, and students, affirm our commitment to diversity and inclusion, and consider them essential elements of a vibrant learning community and integral to our institutional mission. We are determined to foster an environment of inclusion, diversity, openness, and respect for the many differences that will enrich the Snow College community, including race, ethnicity, religion, gender, age, socioeconomic status, national origin, language, sexual orientation, and disability.

Snow College:

- Encourages and welcomes respectful dialogue and exploration of diverse ideas, topics, perspectives, and issues to enrich our campus community.
- Promotes equitable access to all in academics, leadership opportunities, and employment.
- Enhances opportunities by encouraging all to share their cultural experiences and identities, allowing others to learn from this exchange.
- Invites applicants and employees from all backgrounds to foster respect, understanding, awareness, pluralism, and cooperation in an increasingly complex, diverse, global society.
