

**SNOW
COLLEGE**

OPEN POSITION:

Maintenance Generalist

About Our College

Snow College is a two-year public college. **In January of 2020 The Chronicle of Higher Education ranked Snow College #1 in the nation for student success of two-year colleges.** Located in the heart of Utah, at the foot of the Wasatch Mountains, Snow College is one of the oldest comprehensive two-year college in the Western United States.

The College was established in 1888 and excellence continues to be the hallmark of our work and activities. We are the preferred choice of approximately 6,000 students who want a small college experience filled with a variety of activities, events and performances, to go along with their outstanding academic opportunity.

Snow College offers programs and courses which are highly interactive and are designed to reach a broad spectrum of students: high school students desiring college courses, traditional on-campus students, technical education students, online students, and non-traditional students who wish to start or complete a degree. With campuses located in Ephraim, Richfield, and online, students are able to complete degrees in Associate of Arts, Science or Applied Science or have the option of numerous specialized, short-term technical training certificates and diplomas including a few programs with bachelor's degrees. Snow is committed to the success and positive experience of every one of these students.

Highlights

- Snow College won **2021 Best of State Awards** in the following areas: Higher Education Administrator, College/University Teacher, Educational Advisor, Curriculum Development, and the Best of State Statue award in Education.
- Small class sizes result in students receiving more personal attention and specialized assistance from dedicated professors and advisors.
- Low tuition, housing and fees make Snow College the most affordable and best valued college in Utah.

Mission

Snow College continues a tradition of excellence, encourages a culture of innovation, and cultivates an atmosphere of engagement to advance students in the achievement of their educational goals.

Roles of Snow College

Building upon a tradition and heritage of academic distinction and personalized attention, Snow College fills the following roles:

1. Snow College serves as one of the nation's finest two-year transfer institutions with a focus on liberal arts and sciences, and maintains cooperative relationships with distinguished colleges and universities.
2. Snow College enhances the economic development of Central Utah through partnering with business, industry, government, and community to provide high-demand professional, career, and applied technology education.
3. Snow College enriches the educational, cultural, and recreational life of Central Utah through community and continuing education opportunities, cultural and athletic events, and community outreach services.
4. Snow College is dedicated to helping individual students achieve their academic goals through a caring, personalized learning environment, providing comprehensive student success services, library and learning resources, and targeted supplemental and developmental education programs.
5. Snow College focuses on developing the whole student and encourages student involvement in a wide variety of co-curricular activities, service organizations, service learning opportunities, academic and special interest clubs, athletics, and student leadership opportunities.
6. Snow College welcomes all who will gain from or contribute to its educational and student-centered environment including individuals with diverse backgrounds and perspectives.
7. Snow College partners with higher education institutions which offer baccalaureate and graduate programs in select disciplines for the citizens of Central Utah.
