

BIOL 1810

Division: Natural Science and Mathematics

Department: Biology

Course: BIOL 1810

Title: Biological Careers

Catalog Description:

Biological Careers is a seminar-style course where professionals in the various fields of biology and natural resources visit to explain career opportunities, aspects of the workplace, and schooling requirements.

General Education Requirements: N/A

Semesters Offered: Fall

Credit/Time Requirement: Credit: 1; Lecture: 1; Lab: 0

Clock/Hour Requirements: 0

Offered for Non-Credit: No

Prerequisites: None

Corequisites: None

Justification:

One of the major problems in biology and natural resources is that it is such a large and diverse field of study. Biological careers will introduce students to professions available in the field of biology and natural resources. The course will help students become aware of different careers and to find out what is expected of professionals in those careers.

Student Learning Outcomes:

As a result of taking this course, students will:

- be introduced to different careers in biology and natural resources
- be able to find direction in their biological field of study
- understand the schooling requirements necessary for a career in biology or natural resources.

Content:

Biology 1810 will have guest lectures from professionals in the biological and natural resource sciences.

General Education Outcomes:

Key Performance Indicators:

Students will be required to attend class.

Representative Text and/or Supplies:

BIOL 1810

Optimum Class Size: 48

Maximum Class Size: 48

Signatures:

I hereby submit this course syllabus:

Allan Stevens, , Professor

I hereby find this course consistent with the goals and resources of the Biology Department:

Allan Stevens, , Professor, Chair

I hereby find this course consistent with the goals and resources of the Natural Science and Mathematics Division:

Dan Black, EdD, Associate Professor, Dean

I have discussed the need for library resources related to this class with the person submitting the syllabus:

Lynn Anderson, MLIS, Technical Services Librarian (Main Campus)

Michelle Olsen, MLS, Campus Librarian (Richfield Campus)
