Content:

Course objectives will be achieved by providing students with instructional and hands-on experiences in the following areas:

- measure and modify short-term goals
- identify stress sources
- select characteristics of a positive image
- demonstrate awareness of government, professional organization, and trade unions
- apply team skills to a group project
- observe and critique a meeting
- demonstrate business meeting skills
- demonstrate social etiquette
- complete survey for employment opportunities
- review a professional journal and develop a 3-to 5-minute presentation
- identify customer expectations
- complete a job application
- identify a mentor
- assemble an employment portfolio
- explore supervisory and management roles in an organization
- recognize safety issues
- evaluate proficiency in program competencies.

General Education Outcomes:

3) Speak effectively in a variety of contexts.

Students are required to give oral presentations on job related topics. Effective oral communication is a key component in this program.

4) Retrieve, evaluate, interpret, and deliver information through a variety of traditional and electronic media.

Students will participate in employment research utilizing printed and electronic media. Employment outlook, availability, and job description information is researched and reported.

5) Apply a cultural and historical awareness to a variety of phenomena.

Students will understand the importance of a culturally diverse workplace and their role in participating in the same. Students will research and discuss issues relating to cultural diversity and sensitivity.

8) Apply ethical reasoning to a variety of contexts.

Students will discuss business and workplace ethics as they pertain to a given field of work. Special emphasis is placed on work ethic, honesty, and dependability on the employee's part.

Key Performance Indicators:

In Class:

- Students will demonstrate knowledge through class discussion.
- Students will demonstrate skills through presentations and performance activities.
- Students must complete all assignments at 80% or better.

Following class:

- Students will demonstrate mastery through performance in subsequent related courses.
