Dear Parent/Guardian. Your son or daughter is being considered for early admission at Snow College. This is an exciting opportunity, but we would like to make sure that you understand some of what this means.

- **Eligibility** - Early admission is conditional. Students thus admitted are only eligible to enroll in classes one semester at a time and will only be allowed to continue enrolling if he/she earns a semester grade point average of 2.00 or higher.
- **Registration** – It is the student’s responsibility to register for Snow College credit through BadgerWeb by the established Full Semester deadline. It is also their responsibility to drop or withdraw from the course(s) in BadgerWeb, by the established Full Semester deadline, if they no longer wish to receive college credit.
- **Grades** – The grade(s) earned through the Accelerated Online Program will become a permanent part of the student’s post-secondary record and may affect the student’s eligibility for future financial aid.
- **Credits** – Credits earned under the Accelerated Online Program will be applicable toward a degree at Snow College and are generally transferable to other colleges and universities. It is the student’s responsibility to ensure the course(s) taken are transferable to a college/university.
- **Policies** – All policies affecting general Snow College students will apply. In addition, Snow College will not act in loco parentis to your child. You retain the duty to supervise and regulate their academic involvement and choices.
- **Release of Student Records**
 - **Family Educational Rights and Privacy Act (FERPA)** – Snow College is required by law, regardless of age, to keep student records confidential. Without Student’s permission, we cannot share student records with anyone but them (or appropriate Snow College officials, representatives, officers, employees, and agents). Please complete the optional Consent to Release Student Information form if your student would like you, as the parent(s) or legal guardian(s), to act on their behalf and have access to their student record at Snow College.
