The world's greatest love story takes to the streets in this landmark Broadway musical that is one of the theatre's finest accomplishments. Shakespeare's "Romeo and Juliet" is transported to modern-day New York City, as two young idealistic lovers find themselves caught between warring street gangs, the "American" Jets and the Puerto Rican Sharks. Their struggle to survive in a world of hate, violence and prejudice is one of the most innovative, heart-wrenching and relevant musical dramas of our time.
- Guest Artist Flute Recital:** April Clayton, professor of flute at BYU will be giving a concert on Feb. 19, 2010 at 7:30 pm. She will be accompanied by Jed Moss, well known accompanist and recitalist in the West. Ms. Clayton was the youngest Doctoral student ever accepted at the Juilliard School of Music in New York. She has given concerts in all parts of the world. She teaches a summer workshop in Paris and also does a flute festival at Snow College every June for young Utah flutists. She has recorded several CD's and performs with orchestras along with her busy schedule at BYU.

Her recital will include pieces by Frank Martin, Howard Hanson, Johann Sebastian Bach and a piece especially written for her. According to Prof. Elaine Jorgensen of Snow College, the program includes some of the most beautiful pieces in the Flute literature. The public is welcome and admission is free.
