 The band program at Snow College was founded by James F. Clawson in 1897. Clawson was well regarded as a cornet soloist and "popular leader of the Ephraim Cornet Band." Clawson, who died in 1907, was the grandfather of former Utah Congressman James Hansen, who was himself an accomplished cornet player.
 In tribute to Clawson, Snow's Wind Ensemble will perform a program of favorites from the 1890s, including: "Carnival of Venice" by Jean Baptiste Arban, featuring Snow student Aaron Jensen on trumpet; "The Beautiful Galatea Overture" by F. v. Suppe; and "The Boys of the Old Brigade" by W. Paris Chambers. In collaboration with the choral department, the group will also present Stephen Melillo's "The Speech of Angels." Please join us and the Hansen family to celebrate Clawson's contribution to the musical history of Snow College and Sanpete County.
- Josh Wright Piano Concert:** On Monday, March 29th at 7:30 p.m. in the Jorgensen Concert Hall, Snow College is pleased to present pianist Josh Wright in a stunning concert program including works of Chopin and Ravel. Josh is a rapidly rising young musician who is seriously pursuing a concert career, having been recently accepted as a contestant in the Gina Bachauer International Piano Competition as well as the Chopin National Competition. He is a winner of many competitions and awards, most recently winning third prize in the National Federation of Music Clubs 2009 competition which took place only two weeks after his return from a mission for the Church of Jesus Christ of Latter-day Saints. Josh has appeared eight times with symphony orchestras including the Utah Symphony. He has recorded the complete etudes of Chopin on CD, and is currently finishing his Bachelors and Masters degrees at the University of Utah under Susan Duehlmeier.
 The program will include the complete Gaspard de La Nuit of the French Impressionist composer Maurice Ravel, perhaps one of the most fiendishly difficult works in the entire piano repertoire, full of beauty and fireworks. He will also perform well known works of Chopin including the Ballade in G Minor and the dazzling "Winterwind" etude, as well as several popular favorites such as the Maple Leaf Rag and a tribute to the "Twilight" film series. This program will surely delight beginning and advanced music lovers alike as well as being a wonderful outing for a family home evening. The public is also invited to a master class at 4:00 p.m. in the Jorgensen Concert Hall which will feature several piano majors of Snow College as well as other piano students studying in the Ephraim area.
