*Lorenzo Snow Awards Night*

RECOGNIZING OUTSTANDING STUDENTS

APRIL 9, 2018

# *Program*

One of the namesakes of Snow College, Lorenzo Snow, was a man who believed in personal accountability and excellence. The Lorenzo Snow Awards Night is a chance for Snow College to acknowledge excellence in students. Thank you for joining us as we recognize some of the most dedicated and outstanding students at Snow College!

We received many nominations from Snow College students, faculty and staff for this year's Lorenzo Snow Awards. Each nominee was contacted and asked to accept the nomination by submitting a resume and information form. After careful deliberation, winners were chosen from among those finalists.

For a student to receive a nomination indicates a pattern of excellence and positive influence at Snow College. Special congratulations and appreciation go out to each nominee and to each finalist.
